

UMUHUZA ECD PROGRAM

CHILD I CARE SUSTAINABILITY

Ownership

- Umuhuza has worked with the community:
(parents, local authorities opinion leaders)
- Practitioners are identified among community Practitioners from the community (stable and committed)
- Involvement of the local authorities
All of them are involved (from planning to evaluation and celebration)

Structures

- Parents graduated has created cooperatives

Umuhuza accompany them in the registration process and fulfill cooperatives obligation (account in the bank, office etc)

- Practitioners has cooperative which is registered on national level and have community initiative(raising the ECD awareness of young couple)

Economic empowerment

- Cooperatives develop projects income generating.
- Benefit from cooperatives will be invested in the literacy of their ECD program.
