

ABUNDANT LEADERSHIP SUMMIT

October 15th & 16th

For Leaders with a Passion To Transform Education for Our Children

Calling Leaders in Education to Action...

The First Annual Abundant Leadership Summit will be held at Christian Life Assembly on October 15 & 16th, 2014. Join 200+ other Christian leaders with a passion to transform education for our children and learn practical ways to bring that vision to reality.

...at a Highly Engaging Summit.

The Summit is designed to be highly interactive. There will be time for you to engage in discussion with our speakers. You will choose from practical case studies with local visionaries such as Kigali Christian School, Cornerstone Leadership Academy, and Wellspring Academy. You will participate in experiential learning activities and gain tools you can use with your own teams. You will also have the opportunity to hear about the launch of the new Abundant Leadership Institute.
